(705) 380-4413 | admin@ruggedearthmuskoka.ca

Landscape Designer

We are looking for a talented and detail-oriented Landscape Designer to join our growing team. In this role, you'll be responsible for creating thoughtful, site-specific landscape designs for residential and commercial projects—from concept through to execution. You'll work closely with clients, project managers, and our construction teams to bring outdoor visions to life.

Position Full-time, Permanent

Work Location In Person – Muskoka, ON

Key Responsibilities

- Develop detailed landscape designs using CAD and rendering software
- Conduct site analysis and client consultations to gather requirements
- Create planting plans, hardscape layouts, and 3D renderings or visual presentations
- Collaborate with construction teams to ensure design intent is executed on-site
- Source materials and plant selections suited to local conditions and client preferences
- Revise designs based on client feedback and site considerations
- Stay current on trends, materials, and best practices in sustainable landscaping

Qualifications

- Degree or diploma in Landscape Architecture, Landscape Design, Horticulture, or related field
- Proficiency in AutoCAD, SketchUp, Dynascape, and Lumion
- Strong design portfolio showcasing a range of landscape projects
- Solid understanding of horticulture, construction techniques, and local plant species
- Excellent communication and presentation skills
- Ability to manage multiple projects and deadlines
- Valid driver's license (required)

Bonus Skills

- Experience with additional 3D rendering or landscape visualization tools
- Project management experience
- Knowledge in use of electronic measuring equipment.

Benefits

- Company pension
- Dental care
- Extended health care
- On-site parking
- RRSP match
